I am taking orders for the 2018 Firecrest Mountain Biking Jersey. The jersey will be produced by Primal Clothing as a custom downhill jersey design for Firecrest MTB.

We have chosen their Custom DH Jersey for the material, cut and fit as it designed for pads and body armor. As a result the tops come up quite large and most people that have tried them on are going for a size smaller than they would usually wear (e.g. Medium = Small). Please bear this in mind when sizing your order as we won't be able to offer an exchange or refund on these custom orders.

Please Note: This the second order for the Team Kit and we need a minimum of 10 garments to place the order. As soon as we have an order for 10 garments I will place the order with Primal and I will e-mail you with the expected delivery date.
